The Empower Security Guarantee applies only to accounts maintained by Empower and does not extend to accounts held or managed by third parties, such as self-directed brokerage accounts held at other institutions. Empower may seek restitution from the person(s) who committed the unauthorized activity and may require you to assign certain rights or sign a release form as a condition in receiving reimbursement under the Empower Security Guarantee. For accounts in employer-sponsored plans, reimbursement is generally subject to plan sponsor review and approval and may be subject to additional conditions based on any related agreement between Empower and your employer. Empower will determine the type and amount of any reimbursement in its sole discretion. This protection does not cover any legal fees, expenses, or tax consequences or any indirect, consequential, or non-monetary damages. Empower reserves the right to reduce the amount of any reimbursement by amounts you are entitled to receive from other sources for the same loss, such as identity theft insurance.
